

## Cable Strippers

### Cable Stripper No. 4 - 16

WEICON Stripping Tools enable the precise, fast and safe stripping of all common round cables. The product family of cable strippers includes different types featuring different additional functions and thus meeting the individual application requirements of their users.

The Cable Stripper 4-16 enables precise, fast and safe stripping of all common round cables with a diameter between 4 and 16 millimetres. The Cable Stripper has a non-slip, multi-component handle with ergonomic shape. Thanks to the set screw on the back of the handle, the cutting depth can be adjusted with an infinitely variable range. This prevents damaging the inner conductor. The cutting blade is integrated in the housing and self-rotating, thus enabling the automatic adjustment from circular to longitudinal cutting.

#### Technical Data

Cable type	round and wet room cables
Application area	outer diameter 4 - 16 mm
Additional use	Safety bracket without blade
Material	fibreglass-reinforced polyamide
Inner blade	adjustable + replaceable
Additional value	Safety bracket without blade
Accessories	Spare blade, art. no. 5010001
Approval / certificate	Safety tested by TÜV NORD
Weight	89 g
Length	135 mm
Article number	50050116
Approvals / Guidelines	
ISSA Code	75.629.55

Attention:  
Tool not to be used on live cables or conductors.
