

# Label Remover Spray

**Available sizes:**

11206500-35      Label Remover Spray 500 ml

**Accessories:**

 10953001      Processing Spatula,  
 10953003      Processing Spatula,

**inclusive special spatula**

Label Remover quickly and easily removes paper labels and residues of acrylate and caoutchouc-based pressure-sensitive adhesives.

It is suitable for many surfaces such as glass, metal, wood, foil and plastic.

It easily and safely removes adhesive labels, price tags (e.g. incorrect labels), address and product stickers, identification labels, and label residues. It also removes adhesive residues from foil labels such as vignettes on car windshields.

**Technical Data**

Odour	<a href="#">citrus</a>
Features	<a href="#">removes paper and foil labels</a>
Storage stability	<a href="#">24 months</a>
Colour	<a href="#">colourless</a>

**Processing**

Spray a sufficient quantity of Label Remover onto the label, allow to react for approx. 1 minute and pull off slowly. Repeat process in case of stubborn residues and remove old labels with attached spatula, if necessary. Spray again afterwards and clean surface with a cloth. Since Label Remover evaporates without leaving residues, new labels can be fixed to the surface without problem.

**Storage**

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

**Safety and health**

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

**Note**

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
